Route from tube/train station

By Tube

The nearest tube is Vauxhall (Victoria line). Take exit 2 and once out of the station, walk through the tunnel diagonally to your right (South Lambeth Place), with Starbucks on your right and the train station on your left. Once out of the tunnel, turn right and cross the road onto South Lambeth Road. LCD is about 50 m on the right hand side. Approximate travel time 5 minutes.

Please note, Vauxhall tube station has no wheelchair access – the nearest tube stations with wheelchair access are Waterloo (Jubilee and Waterloo & City line), Southwark (Jubilee line) and Brixton (Victoria line).

By Train

The nearest train station is Vauxhall. Take the exit to the left, this will lead you directly to South Lambeth Road, once on the pavement turn right and follow the road, keeping the bridges/train track on your right. You will need to cross over

Please note, Vauxhall train station has no wheelchair access. The nearest stations with wheelchair access are Brixton, London Bridge and Waterloo.
