

Equity in Action: Fairer Funding Models for a Localized Agenda

The IDDC OPD Partnership Task Group is pleased to invite you to the second edition of the OPD Dialogues webinar series.

The session — Equity in Action: Fairer Funding Models for a Localized Agenda — will bring together OPDs, international NGOs, and funders to examine the realities behind localization commitments, deconstruct the concept of "unrestricted funding," and explore what genuinely equitable funding models look like for OPDs navigating global crises and funding cuts.
